## Survey Stool Diagnostics

Bonn, September 2017

Dear Sir or Madam,

Herewith we would like to evaluate the interest in interlaboratory tests for stool diagnostics. For planning such surveys, we ask you to fill out this short questionnaire. If you are interested in thus surveys please send us this form (post / fax / e-mail).

Thank you for your help.

Yes, I am interested in external quality control for stool diagnostics.

I am currently investigating the following parameters.

- Hemoglobin
- Hemoglobin/Haptoglobin complex
- Elastase-1
- Calprotectin
- M2-pyruvate kinase (M2-PK)
- other / other (please note): : .....
